

Rattlin' Bones Template Diagrams

Template Diagrams Assembly Instructions

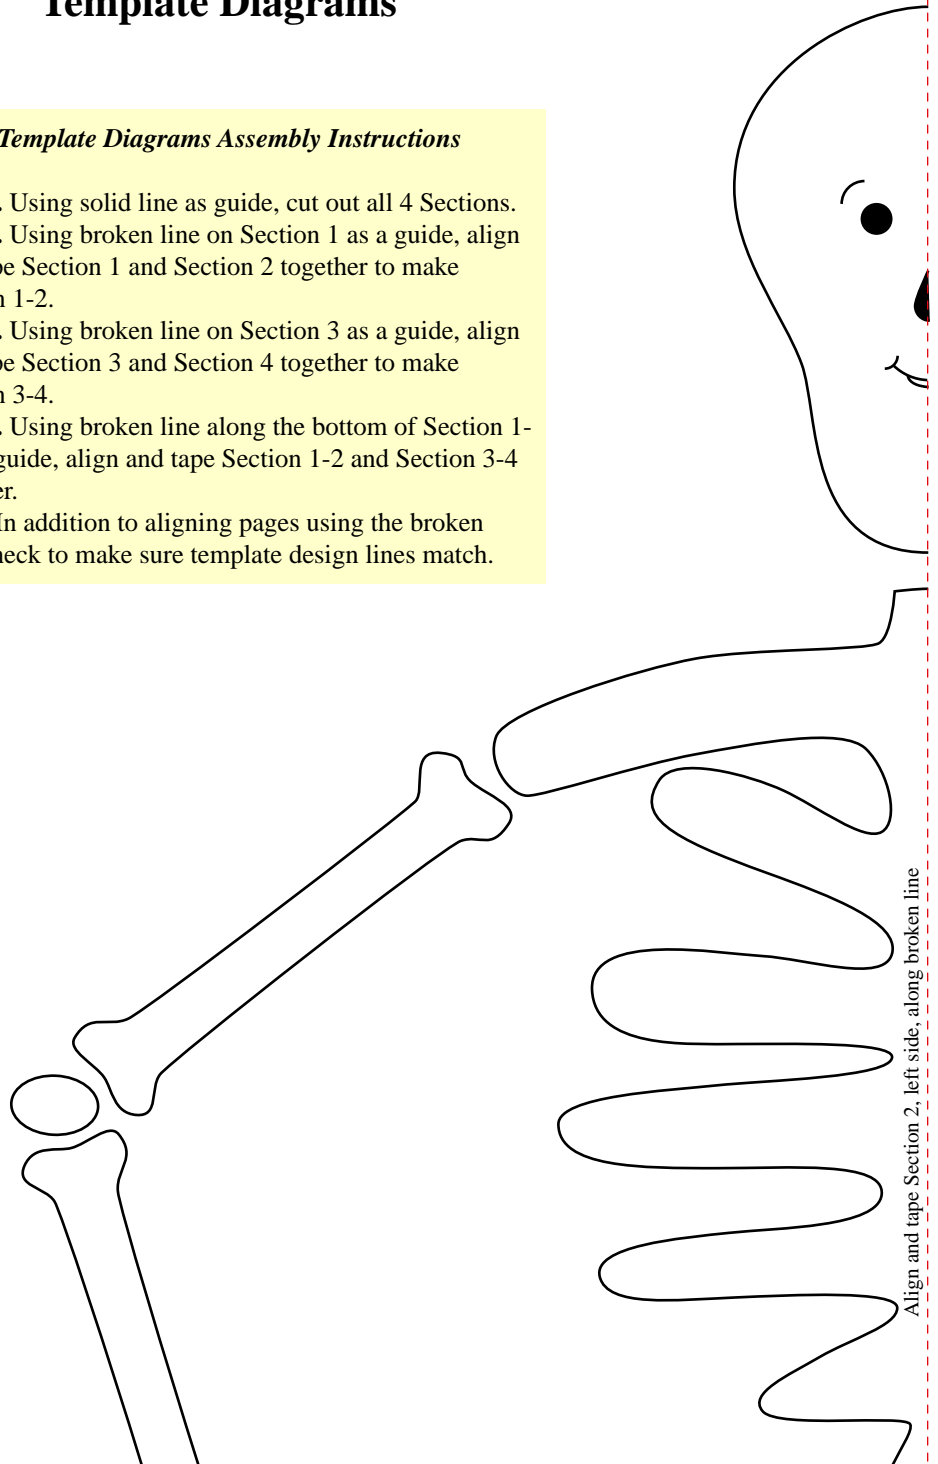

Step 1. Using solid line as guide, cut out all 4 Sections.

Step 2. Using broken line on Section 1 as a guide, align and tape Section 1 and Section 2 together to make Section 1-2.

Step 3. Using broken line on Section 3 as a guide, align and tape Section 3 and Section 4 together to make Section 3-4.

Step 4. Using broken line along the bottom of Section 1-2 as a guide, align and tape Section 1-2 and Section 3-4 together.

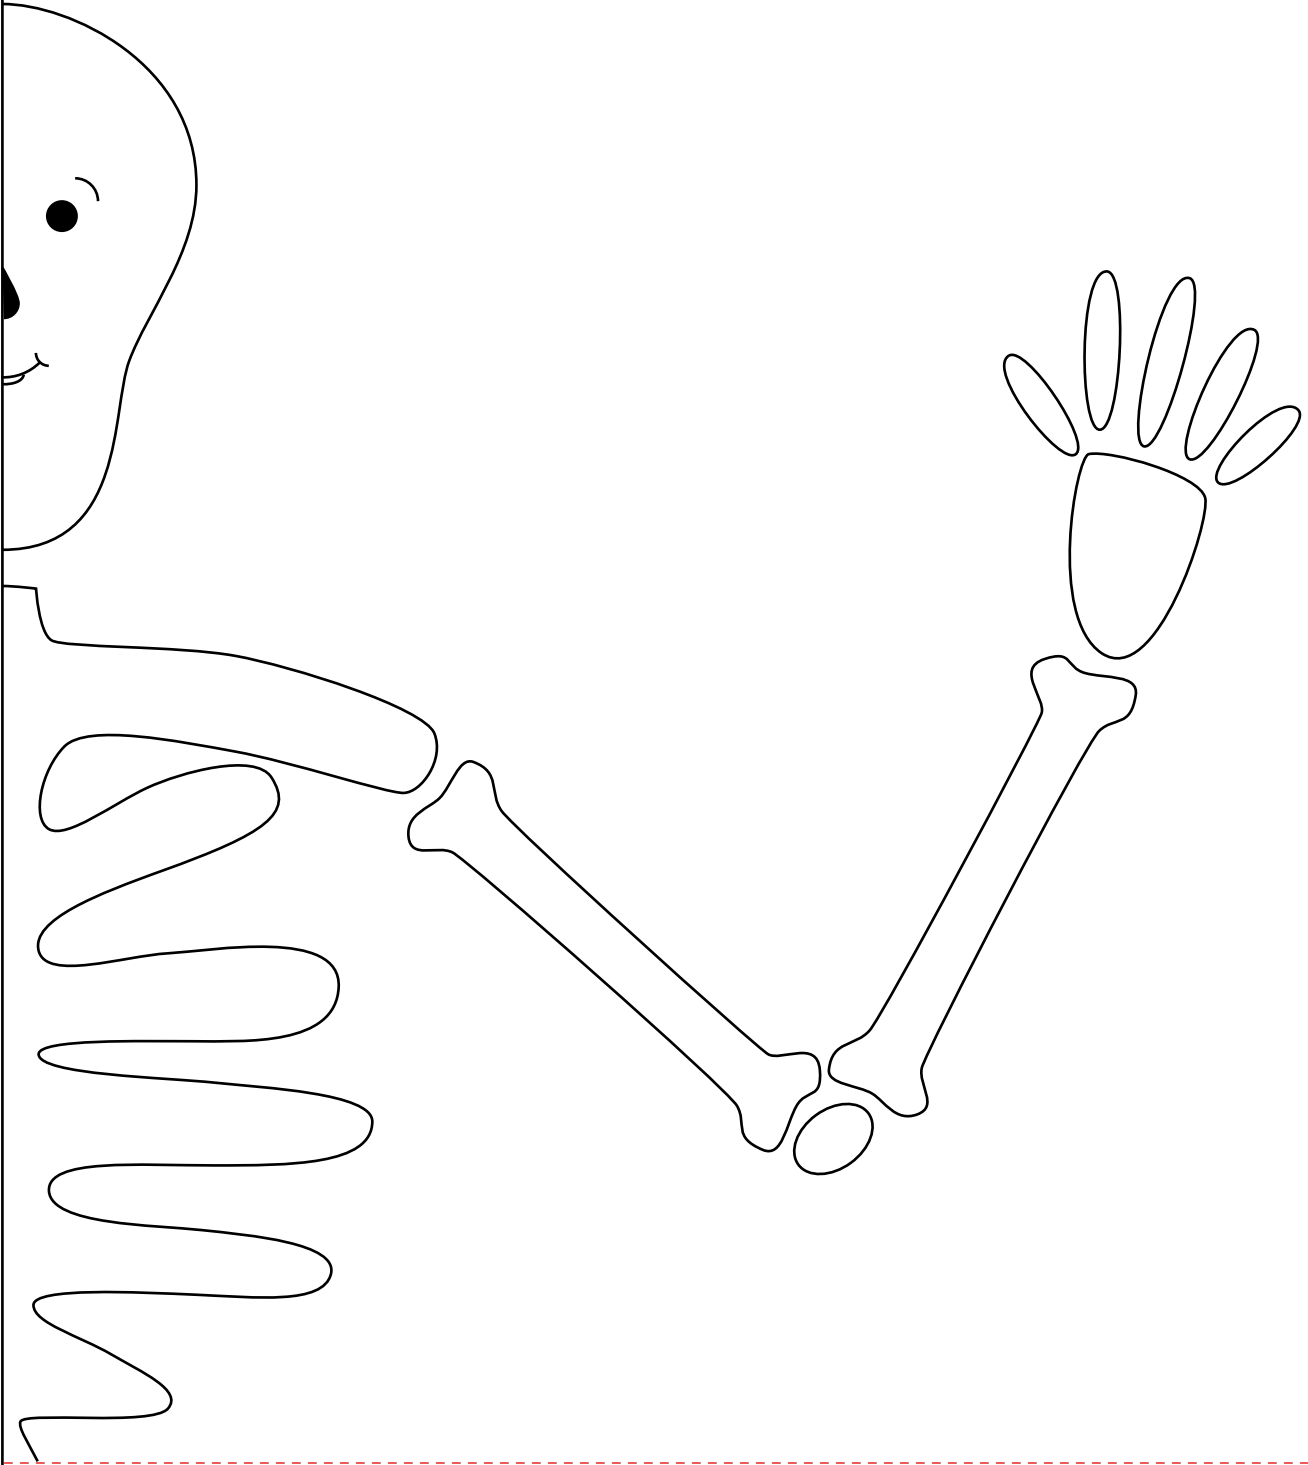

Note: In addition to aligning pages using the broken line, check to make sure template design lines match.

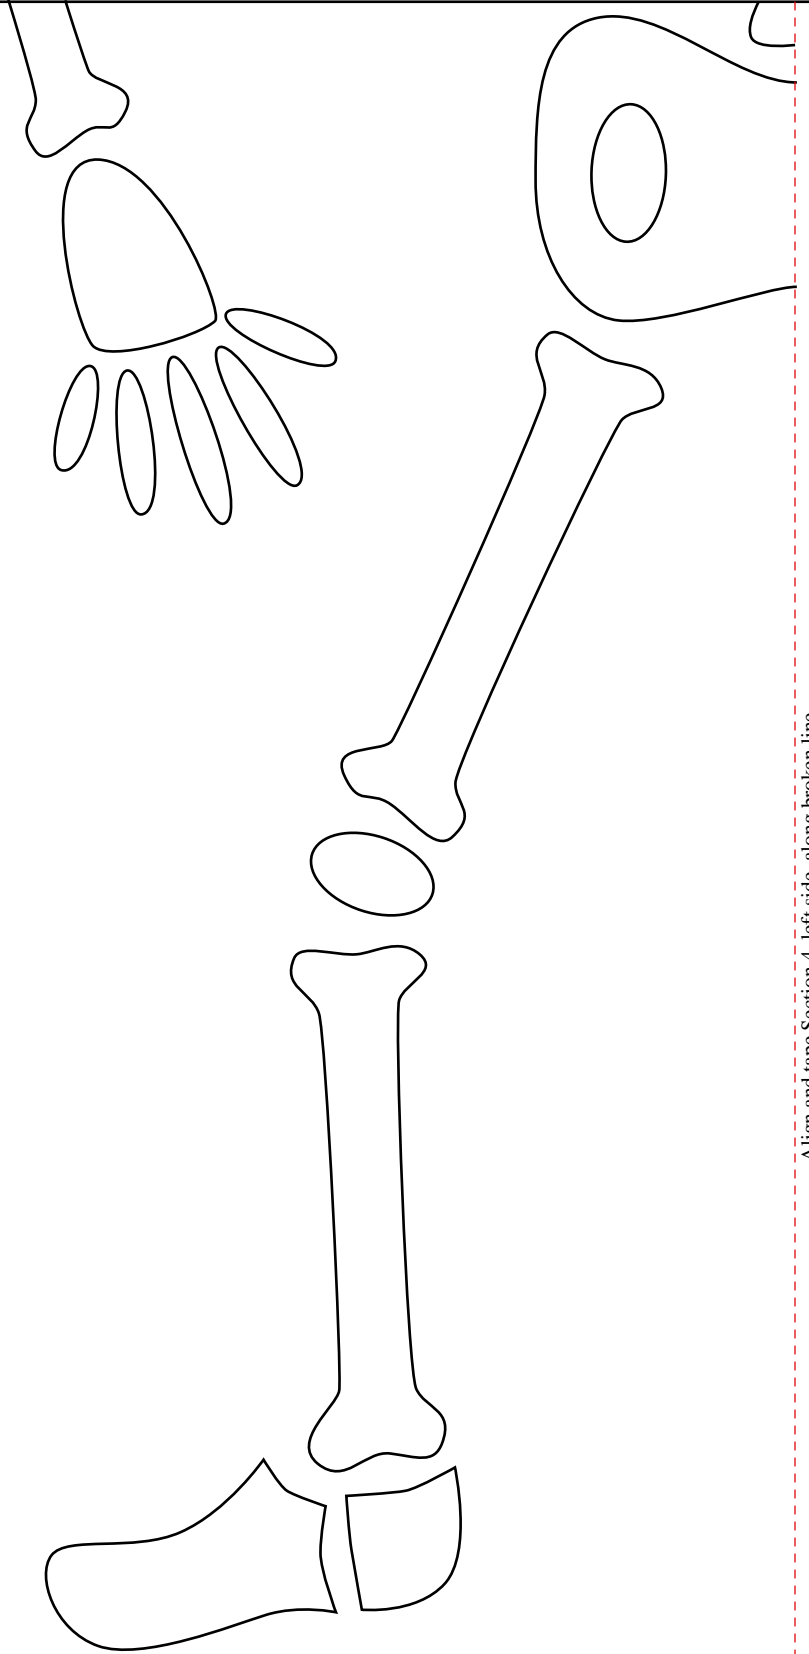

Cut out section using solid line as guide

Align and tape Section 2, left side, along broken line

Align and tape Section 3-4, top side, along broken line

Align and tape Section 4, left side, along broken line
